Jump Start Jr. is a free parent/child playgroup that focuses on learning through play, sharing books, and singing songs.

All Jump Start Families are invited to attend!

Playgroups are great places for parents to interact, learn from, and brainstorm ideas with other parents while children learn and play with other children.

Jump Start Jr. Playgroups are offered to all Jump Start families with children birth to five years of age and their siblings! These playgroups can build a positive parent/child relationship, help parents learn about child development; help children develop social skills, independence, and self-confidence through play; address parents concerns and questions; help families find new friends; and connect families to other services or resources in their area.
